

# PureMarine 780+D

## Marine Lipid Concentrate

**A Omega 3 fatty acid supplement containing 450 mg EPA and 330 mg DHA combined with Vitamin D3 in a single softgel serving.**

**PureMarine 780 + D** is a superior quality, lemon flavored Omega-3 formula providing a high yield of EPA and DHA combined with 1,000 IU of Vitamin D3 per serving. The Omega-3 fish oil, in this product, is from wild caught anchovies, sardines and tuna. The oil is then molecularly distilled to ensure purity and stability.

**PureMarine 780 + D** supports:

- Cardiovascular health\*
- Immune system function\*
- Joint comfort\*
- Skin and hair health\*
- Neurological performance\*

**PureMarine 780 + D** supports cholesterol balance, cardiovascular, joint & skin health, as well as immune system function.\*

• Omega-3 fatty acids are important to health, especially for the heart, brain and cell membranes of the body.\* The omega-3 fatty acids, Eicosapentaenoic Acid (EPA) and Docosahexaenoic Acid (DHA), are precursors to the PGE3 series of prostaglandins, which are substances important to proper body regulation.\*

### Vitamin D3:

Vitamin D3 is a fat-soluble vitamin. Adequate Vitamin D3 levels may be important for maintaining blood pressure within normal ranges.\* Vitamin D3 also impacts heart health by supporting the body's natural cytokine production and vascular function.\*

### Supplement Facts

**Serving Size: 2 Softgels**

#### Amount Per Serving

Calories	25
Calories from Fat	20
